

OUR 2020 CLUB JOURNEY

January

Opened our third school site at Blue Ridge Elementary to serve 50 more kids

March

Closed our doors due to COVID & began curbside meal & activity kit pickup program to feed **ANY** kid in need

April

Developed and implemented virtual programming & wellness calls

June & July

Safely opened our doors with new COVID safety operations for **in person** programs to a limited number of Club kids

August

Continued meal & activity kit program through the end of the month serving over **67,000 meals/snacks & 10,000 activity kits** since March

September

Pivoted to open virtual learning center day pods and expanded our hours to 7am-6pm (11 hours a day from our usual 4 hours of daily after school programs) to best serve Club kids & families

October

Opened up all 4 after school locations when elementary kids went back in seat & kept the middle & high school day pods open to support their virtual learning

November

Schools reverted to virtual learning & we reopened our day pods for 11 hours a day. The state required that we become a licensed facility to continue as a day pod.

December

Day pod kids celebrated the holidays with a sense of normalcy full of Christmas magic with presents, fun activities & LOTS of smiles & laughter after a very long year

PRIORITY 2021 GOALS

- Academic Success & Mental Health Wellness
- Provide Academic Virtual Day Pod Learning Support When CPS is Closed
- Provide Academic Education Support Through Homework Help and Tutoring
- Provide Academic Enrichment (Science Technology Engineering Math) STEM/High Yield Learning Activities)
- Provide Social/Emotional wellness support (Positive Behavior Support/Counseling/Programs)
